GSA schedule contract solidifies Premier Knowledge Solution's comprehensive suite of secure edge computing services as recognized IT solutions for U.S. government accounts

Saint Louis, MO, October 10th, 2006 Premier Knowledge Solutions, Inc., a leading Information Technology training company specializing in Microsoft, Novell, EC-Council and FISMA Information Assurance Directive 8570 training, today announced it has been awarded a five-year schedule contract (GSA IT 70-35F-0600S) by the U.S. General Services Administration (GSA). As a result, Premier Knowledge Solutions' services are now included among the range of professional information technology offerings provided by GSA to federal agencies for innovative technology training including Desktop Applications, Graphics & Design, Business Skills, and a wide range of Technical classes.

GSA is a centralized federal procurement and property management agency created by the U.S. Congress to improve government efficiency and help federal agencies better serve the public. The GSA provides purchasing and requisition assistance on behalf of federal agencies for office space, equipment, telecommunications, information technology, supplies and services. The inclusion of Premier Knowledge Solutions' offerings to the GSA schedule enables the GSA to bolster its list of IT products and services.

Under the contract award, the GSA will now make available to all federal agencies Premier Knowledge Solutions' complete portfolio of offerings for computer training and reliable content and applications delivery. Premier Knowledge Solutions, Inc.'s numerous competencies include Microsoft Gold Certified Partner, Microsoft Small Business Specialist, Microsoft Information Worker Solutions, Novell Gold Certified Partner, EC-Council Authorized Training Center, Adobe/Macromedia Authorized Training Center. Premier's relationships with their partners allow them to bring the latest training and technology to their customers.

Premier Knowledge Solutions, Inc currently provides their training services to numerous government agencies throughout the Midwest, including Scott Air Force Base, both the Missouri and Illinois Air National Guard, U.S. Coast Guard, U.S. Naval Reserve, etc. PKS also holds contracts with the State of Missouri and Saint Louis County Governments.

About GSA

GSA is a centralized federal procurement and property management agency created by Congress to improve government efficiency and help federal agencies better serve the public. It acquires, on behalf of federal agencies, office space, equipment, telecommunications, information

technology, supplies and services. GSA, comprised of 14,000 associates, provides services and solutions for the office operations of over 1 million federal workers located in 8,300 government-owned and leased buildings in 1,600 U.S. communities.
