## Get Virtualized with Training from Premier Knowledge Solutions

Interested in learning more about Microsoft Virtualization or ready to get certified? We are offering a few different Virtualization training options in the February to help you on your way:

### [Microsoft Course 50556: Microsoft Jump Start- Virtualization for VMWare Professionals](#)

**When:** February 8<sup>th</sup>-10<sup>th</sup>, 2012

**What:** The 3-day course is broken into three sections: (1) Platform, (2) Management, and (3) VDI. It includes real-world demonstrations of Hyper-V, many components of the System Center Suite, including VMM 2012, and a myriad of VDI solutions. The Virtualization Overview provides an excellent perspective of Microsoft's overall vision for virtualization as well as the options and advantages organizations have by taking this approach.

**Cost:** \$899 per student

### [Microsoft Course 10215: Implementing & Managing Microsoft Server Virtualization](#)

**When:** April 30<sup>th</sup>-May 4<sup>th</sup>, 2012

**What:** This training course provides individuals with the knowledge and skills needed to deploy and manage a server visualization environment using Microsoft technologies.

**Cost:** \$1995 per student. Each student who enrolls receives a **free** second shot exam voucher for Microsoft Virtualization Exam 70-659

**To Register for any of the courses mentioned above, contact your Learning Advisor at 314.644.6400, email us at [events@premier-ks.com](mailto:events@premier-ks.com) or [register online!](#)**
